New York, NY: [Cross Contemporary Art](#) presents [Martin Weinstein · Looking Through Times](#), a solo exhibition of the artist's most recent dimensional paintings on multiple acrylic sheets. Weinstein's unique practice of painting on flat transparent layers that are re-assembled inside of a clear enclosure, creates a deep and infinitely shifting space. In [Looking Through Times](#), Martin continues to play with perception as he reshuffles his painted panels, inventing dimensional and temporal ambiguities.

[Martin Weinstein · Looking Through Times](#) opens with an artist's reception on Friday, May 31, 2024 from 5:00 pm - 8:00 pm and remains on view through June 31, 2024. Located on the 5th floor of 80 White Street, New York, N.Y. 10013, Cross Contemporary Art Gallery will also be open during the [First Thursday Art Walk](#) on Thursday, June 7, from 6:00 - 9:00 pm.
