(New York, NY): [Martin Weinstein - Continuum](#) is a survey of the artist's most recent dimensional paintings and some earlier works opening at Lichtundfire Gallery February 6 and running through March 1, 2025.. Weinstein's unique practice of painting on multiple acrylic sheets, then reassembled in a clear box creates an experience of deep, infinitely shifting space.

The exhibition opens with an artist's reception on Thursday, February 6, 2025, from 6:00 pm - 8:00 pm and remains on view through March 1, 2024. Hours for Lichtundfire Gallery are Wednesday - Saturday, 12:00 - 6:00 pm
